Subject: Supplier Recognition

Mr. Straza,

On behalf of NORDAM please find this letter of recognition and appreciation for your support in the manufacture of MS-527 stainless honeycomb core and EDM shaped core segments for the B-2 Anti Ice and Rain Removal Diffuser Panel program. Upon successful completion and closeout of this program we wish to acknowledge VerTechs exceptional performance to schedule and quality which enabled NORDAM to complete our program requirements on time and without defects to meet all end customer expectations.

Kind Regards,
